To ensure Citadel Christian School students are following the proper procedures, please follow the policy as outlined in the CCS Parent-Student Handbook.

When it is necessary for a student to be absent a full or partial day for reasons such as medical/dental appointments, court, or family vacations, a prearranged absence form should be picked up in the office at least two school days in advance. This form can also be downloaded at www.citadelchristian.org. Only students with approved prearranged absences will receive an excused absence for each class missed. If the form is not approved or not returned to the office, the student will receive an unexcused absence for each class missed. A student who is approved for a partial day of absence must sign in or out at the office. All schoolwork given in advance is due upon return to class.

Attendance... Every Day Matters!

- National research shows a clear connection between chronic student absenteeism and poor performance in school and on standardized tests.
- Missing just 2 days a month means a student misses 10% of the school year.
- Poor attendance in the first month of school can predict chronic absence for the entire school year.
